INVITED RESEARCH/COLLABORATIONS

Site Director Successful Pathways to High School Completion: Opportunities & Risks 3/-year longitudinal, NIH funded Facilitate IRB, recruitment, data collection for two high-schools over a 3 year period.	2013-present
--	--------------

Site Director Psychological Benefits of Ethnic Diversity in Middle Schools/3-year longitudinal, NIH funded Facilitate IRB, recruitment, data collection and project management for 2 middle-schools over a 3 year period.	2010-2013
--	-----------

- Principal Investigator** 2006-2008
 Evaluated risks and needs among adolescent female offenders in Santa Clara County. Results contributed to the development of a manual for SCC probation staff on gender-responsive programs and practices for adolescent female offenders.
- Principal Investigator** 2006-2008
 Women's Advocacy Initiative in the Criminal Justice System
 Worked with the Santa Clara County Office of Women's Programs and Policy & the Santa Clara County Department of Corrections to collect data that assessed the needs of adult female inmates. Results contributed to a county report for the Department of Corrections, which informed programming and services for women within the county corrections system.
- Principal Investigator** 2006-2007
 Adult and Adolescent Perceptions of Social-Decision Making among Middle School Girls
 Conducted a comparative study that measured differences in adult and middle-school girl perceptions of middle school girl risk-taking behavior. Results presented to middle school faculty and staff in an effort for them to have a perspective of middle-school girl behavior.
- Principal Investigator** 2004-2006
 Evaluated the effectiveness of the Health Realization model on delinquent adolescents in Santa Clara County's juvenile halls and ranches.
- Graduate Student Researcher III, MacArthur Foundation** 1999-2001
 UCLA, Psychological Studies in Education: Los Angeles, California
 As part of MacArthur's national Adjudicative Competence of Juveniles Study, interviewed delinquent, detained and non-delinquent, non-detained adolescents to determine their knowledge of the legal system. Results of this project assisted U.S. courts in understanding delinquent adolescents' competency to stand trial as adults.
- Research Assistant, Psychological Studies in Education** 1998- 1999
 UCLA, Seeds University Elementary School: Los Angeles, California
 Conducted research on early social disturbances, indicated through peer interactions, as predictors of behavioral and/or academic problems among pre-adolescent girls (ages 9-11.)
- Research Assistant, Child & Adolescent Psychiatry** 1997-1998
 UCLA, Neuro-Psychiatric Institute: Los Angeles, California
 Interviewed adolescent female offenders on the influences and behavioral characteristics that contributed to their delinquency.
- Research Assistant, Child Development Unit** 1993-1994
 Harvard University/Children's Hospital: Boston, Massachusetts
 Conducted research on maternal depression and infant maladjustment, as well as the emotional effects of prenatal cocaine exposure on infants.

WORK EXPERIENCE

Executive Director/ Program Coordinator 2003- 2004

Girls Incorporated® of San Mateo County, San Mateo, California

Developed a Girls Inc. affiliate in San Mateo County to provide programs to middle school girls that encouraged them to be Strong, Smart, and Bold. Program absorbed by San Mateo YMCA.

Child Development Specialist 1998 to 2002

Birth and Family Services, Inc., Los Angeles, California

Provided training and supervision to infant specialists who delivered in-home developmental intervention for children receiving Early Start services in South Los Angeles County.

Early Intervention Program Specialist 1996 to 1997

Drew Child Development Corporation, Los Angeles, California

Directed early intervention center- and home-based program in South Los Angeles County. Supervised program staff and consultants. Oversaw curriculum, assessments, and IFSP development and implementation.

Early Intervention Coordinator 1995

The Jeffrey Foundation, Los Angeles, California

Supervised center based early intervention and Federal Block Grant programs serving children ages 1 month through 5 years. Oversaw curriculum, assessments, and Individualized Family Service Plans.

Developmental Educator 1994-1995

South Bay Mental Health Center, Early Intervention, Brockton, Massachusetts

Case managed children in early intervention program. Lead parent-child developmental playgroup for children. Developed curriculum for parent-child groups. Conducted developmental assessments.

CONSULTING

Child & Adolescent Development Specialist

1996 - 2005

Johnson Developmental Consulting, Northern and Southern California

Provided developmental consulting to agencies/schools servicing children & adolescents and their families.

Contracts included:

SONGS: Sister's Opening New Gates, Inc., Los Angeles, California (2001 to 2005)

Provided developmental, programmatic and learning resource/college prep support to adolescent girls from economically and socially challenged environments in South Los Angeles County.

Life Learning Academy (Delancy Street Foundation), San Francisco, California (2002-2004)

Taught child development vocation course and co-facilitated a youth leadership course for student council members at the Delancy Street Foundation's charter high school, serving at-risk youth.

Girls Club of the Mid-Peninsula, East Palo Alto, California (2002-2004)

Provided observation and feedback on girls who presented behavioral challenges to program staff.

Cedars Sinai Medical Center: Child and Adolescent Psychiatry (Thalians), Los Angeles, California (Summer 1999)

Developed and co-coordinated a parenting class for families from diverse ethnic and religious backgrounds.

Pasadena Polytechnic School: Pasadena, California (1998 & 1999)

Conducted Pre-Kindergarten and Kindergarten admissions testing for private college preparatory school.

Lanterman Regional Center, Los Angeles, California (1996-1998)

Provided early intervention intake evaluations for children and families in mid-Los Angeles County.
